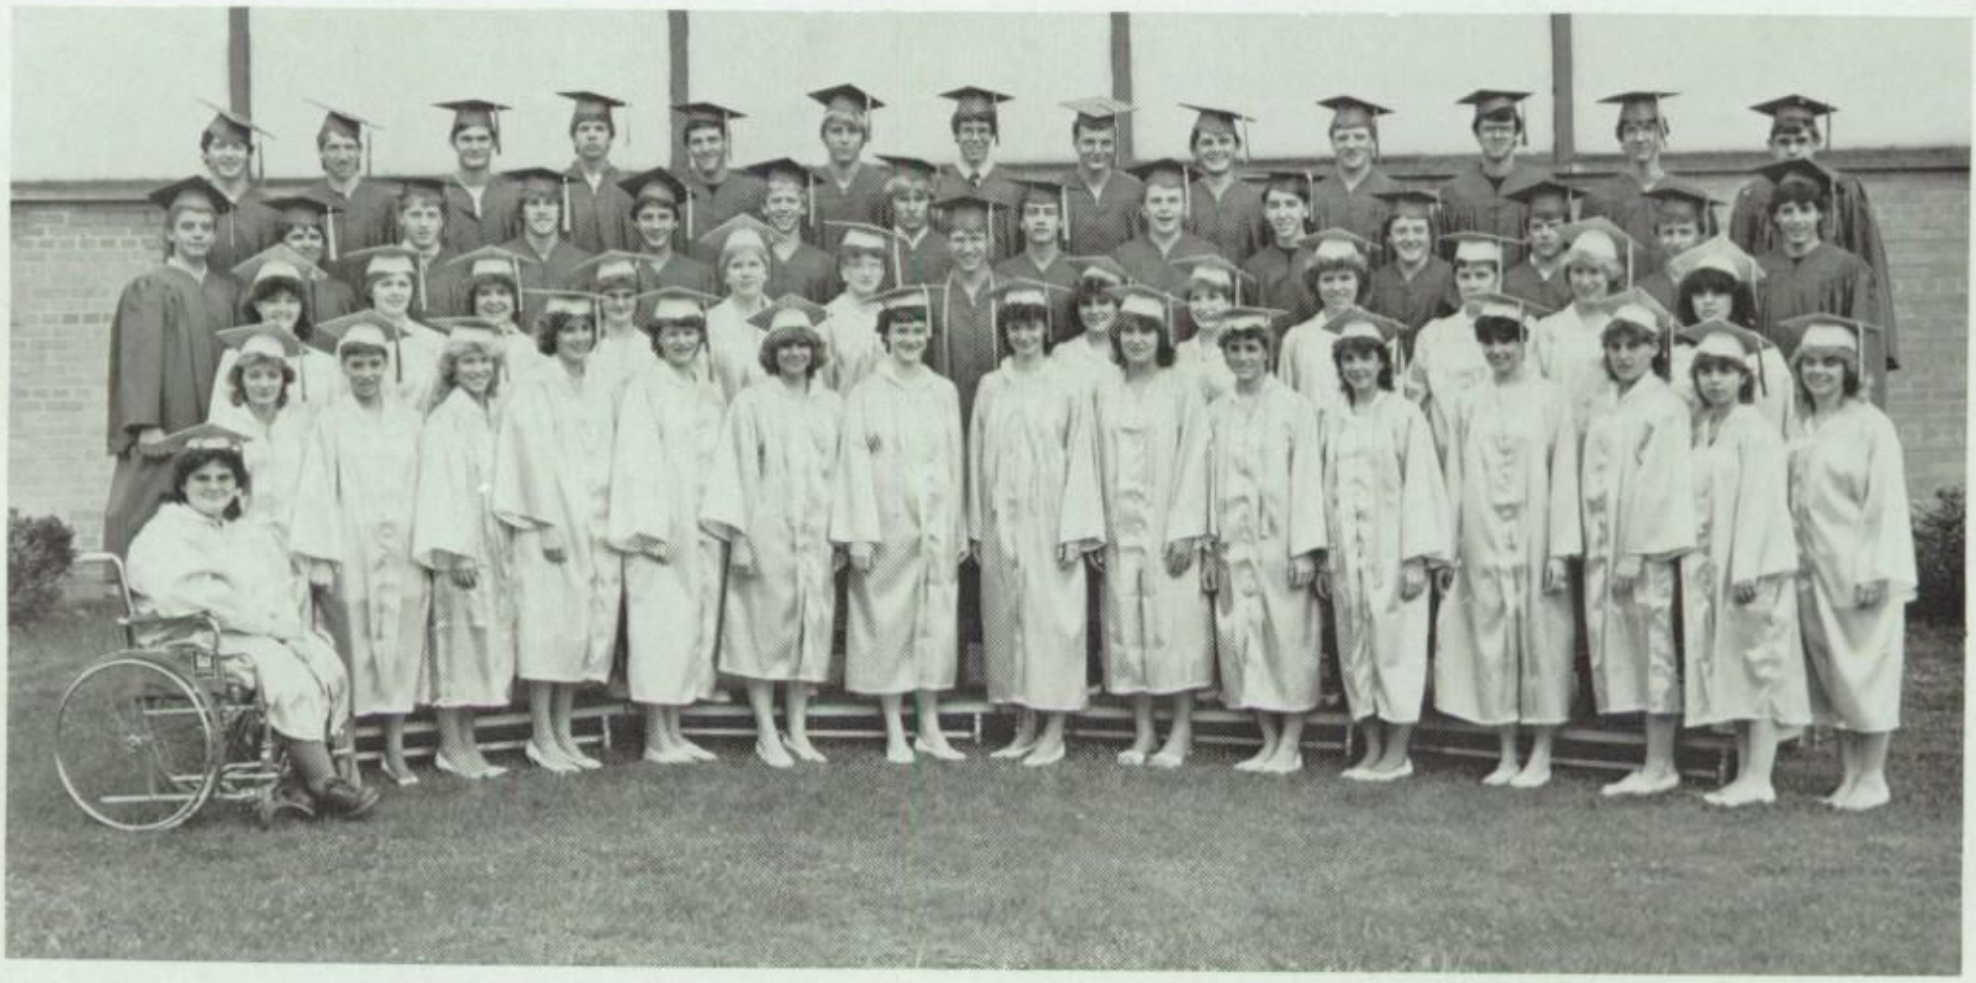
I'LL REMEMBER YOU
By Terre McPheeters

The time has come for you and I·
let's pretend that this is not goodbye.
Just think instead of all that
we've been through.
I'll remember you.

The times we've shared mean so
much to me, you were my friend.
you believed in me.
Before you go I want you to know,
I'll remember you.

I'll remember you every night and day.
Looking back at all the things we did,
how could time just slip away?
I'll remember you until the stars fall
down from the sky.
I'll remember you until the day I die.

Soon today, will be gone,
and I know inside that I'll keep
holding on to these memories that
mean so much to me.
I'll remember you. I'll remember you.



Speaker Bonnie Roesch

Four to six hours a night of intense practice was spent for four weeks to put together the 1985-1986 musical....Fiddler on the Roof. Fiddler on the Roof involved a family being forced to leave their home town of Anatevka and to break traditions.

The band did an excellent job again this year. Potosi continued to be proud of them at all home games and parades. The concert and jazz bands performed well at their concerts. Rhonda White advanced to the state level with her bass clarinet solo. The band worked extremely hard to make money for their summer tour in June. Their money makers included candy bar sales and concessions at basketball games. The trip is from June 15-18, 1986, and includes Dakota, IL., Prarie du Chien, WI., Pardeeville, WI., and Lena IL. The percussionists have been working with Mr. Tom Cook of Bloomington High School and the flag corp has been practicing with Ms. Denise Pagonis of LaCrosse, WI.

Many hours of hard work are spent putting together a yearbook. The process begins in the fall selling advertising and doesn't end until seniors graduate in May. The yearbook staff has enjoyed putting together the 1986 Chieftain. We hope you enjoy it too.

Carol Breitsprecker, Bonnie Roesch and Geri Kerkenbush attended the Yearbook Workshop in Platteville.

The FBLA has been very active this year. To start the year off they hosted a banquet to install new officers and club members. Some of the club activities included: a cheese and sausage sale, type-a-thon for leukemia, answered grade school letters to Santa, celebrated National Vocational Educational Week, participated in skills contests in Fennimore and Platteville, and in the spring, they held an end of the year picnic. This year the club went on a field trip to Madison to tour Wisconsin Physician Services.

Special activities included selling shakes during lunch hour to raise money for a scholarship, presenting teachers with carnations for Valentine's Day, attending the district rally in Brodhead and attending the March of Dimes Convention.

Karen Vogelsberg, Carrie Schaefer, and Jenny Morgan were the returning lettermen for the 1985-1986 volleyball team. Leadership was a strong quality that the volleyball team possessed throughout the season. The girls worked well as a team and worked very hard in their games. They really showed a lot of enthusiasm as they entered the court and when the girls started playing ball things started happening. We had very good net play and of course there were the famous sprawls. Even though we lost our first game at tournaments, our season was ended with pride.

The team posted a 4-5 overall record and a 3-3 conference record, the best in 5 years. Three of the 5 losses came by a total of 8 points.

Potosi lead the conference in almost every catagory, total in defense(1st against the pass, 1st against the rush), total offense(1st passing, 2nd rushing) and scoring offense (averaging over 20 points per game).

The 1985-86 Chieftain Basketball Team had a good season. Every game kept the fans sitting on the edge of their seats. Many fans left every game with no voice from cheering their team to victory. The team set a school record with seven victories in a row during mid-season which can be attributed to hard work and loyal support from their fans and cheerleaders. The team was lead by senior letterwinners: Mike Langmeier, Bill Leeser, Don Maahs, Brent Straka, Jim Sedgwick, and Brent Reuter.
